**“It is India’s responsibility  
to display its strength  
to the world through  
Knowledge and Innovation”**

**Shri Narendra Modi**  
Hon’ble Prime Minister of India

# Vision - Mission

- **Vision:** GIS is strive to work towards developing, Promoting and inculcating the whole new culture of INNOVATION in day to day life of every individual.
- **Mission:** The GIS will seek to create a strategy for fostering innovations at the State and sector levels with a MAJOR FOCUS ON MSME & Post graduate students from professional courses, focusing on five key parameters platform, inclusion, Eco-system, Drivers, and Discourse.

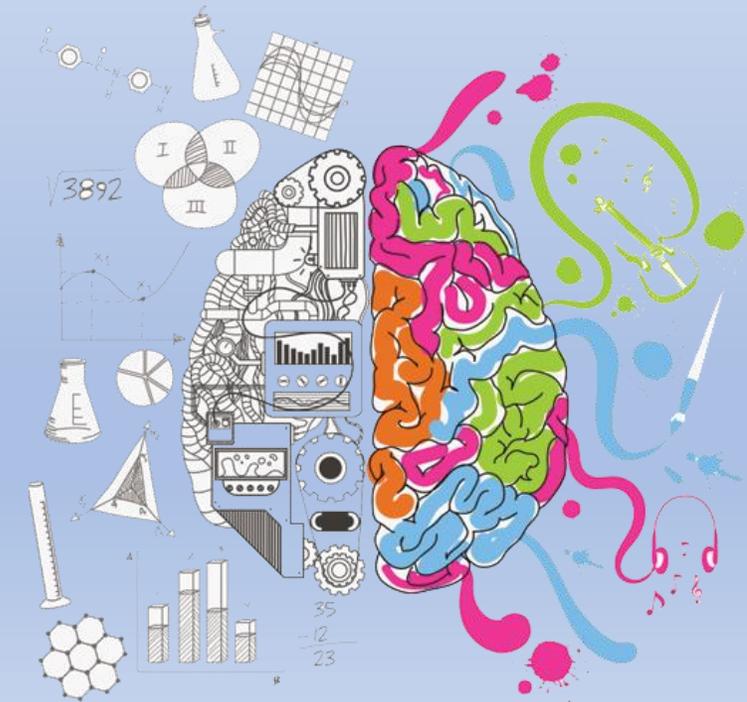

# Igniting Innovation

- Established as a Charitable Trust {Gujarat Innovation Society(GIS)} in 2011 under the guidance of **Shri Narendra Modi**, Chief Minister of Gujarat at the time, **GIS FOUNDATION** is now a sec 8 company with a vision to foster and recognise Innovation at every level.
- Essentially a paramount step forward creating a “**Knowledge based Society**” in Gujarat, GIS Foundation has now expanded its horizons by working towards **inculcating the culture of Innovation** across the nation.

# Forefront of Innovation

- GIS Foundation has been acknowledge for working in conjunction with Education Institutes, Incubation Centres, Industries and the Government for its programmes aimed at boosting innovation such as Symposiums, Open House, Round Table, Seminars, Exhibition, Conferences and workshops for all its stakeholders.
- It is also fortunate to have received tremendous support from the State and the Central Government, MNCs, Corporates, SMEs, Institutions and Associations as well as individual a like.

# PLEAGE to INNOVATE

I, \_\_\_\_\_, in the presence of  
GOD take OATH that I realise the value of Knowledge and Innovation.  
I shall strive to at least have one Innovation in next one year and  
make innovation and knowledge seeking a way of life for me and my  
surroundings.

# Oath Taking Ceremony

I, \_\_\_\_\_, in the presence of GOD, take oath that I realise the value of **Knowledge and Innovation**. I shall strive to at least have one Innovation in next one year and make Innovation and Knowledge seeking a way of life for me and my surroundings.
